# North Carolina Native Plant Society

## Benefits for Members:

**Four Newsletters** each year, with articles and illustrations by professional and amateur contributors.

**Field Trips** to natural areas including Nature Conservancy and Natural Heritage sites, plus local excursions.

**Programs** presented by professional and amateur speakers.

**Frequent Access** to hard-to-find native plants, through our sales, auctions, and exchanges.

**Native Plant Rescues** to natural areas that are slated for development.

**Opportunities** to work in rare native plant preservation efforts, restoration, and maintenance projects to preserve our natural heritage.

**Chapter** membership connects you with native plant enthusiasts in your community through local hikes, talks, plant swaps and events.

**Online Access** to members-only archives and information.

**Join us!** Our members are gardeners, landscapers, bird and butterfly enthusiasts, amateur and professional botanists, nursery professionals and environmentalists.
